

| 序号 | 品 名                        | 英 文                                                       | CAS         | 纯度     | 详细介绍                                                                                                                  |
|----|----------------------------|-----------------------------------------------------------|-------------|--------|-----------------------------------------------------------------------------------------------------------------------|
| 1  | 双三氟甲基磺酰亚胺锂                 | Lithium bis(trifluoromethanesulfonyl)imide                | 90076-65-6  | 99.90% | <a href="https://www.yuanyang-tech.com/case/liitfsi.html">https://www.yuanyang-tech.com/case/liitfsi.html</a>         |
| 2  | 三丁基甲基氯化铵                   | methyltributylammonium chloride                           | 56375-79-2  | 98%    | <a href="https://www.yuanyang-tech.com/case/109.html">https://www.yuanyang-tech.com/case/109.html</a>                 |
| 3  | 双三氟甲基磺酰亚胺钠                 | Sodium bis(trifluoromethylsulfonyl)imide                  | 91742-21-1  | 99.70% | <a href="https://www.yuanyang-tech.com/case/natfsi.html">https://www.yuanyang-tech.com/case/natfsi.html</a>           |
| 4  | 双三氟甲基磺酰亚胺锂水溶液              | Lithium bis(trifluoromethanesulfonyl)imide Solution       | 90076-65-6  | 80%    | <a href="https://www.yuanyang-tech.com/case/liitfsi-aq.html">https://www.yuanyang-tech.com/case/liitfsi-aq.html</a>   |
| 5  | 三氟甲磺酸锂                     | Lithium trifluoromethanesulfonate                         | 33454-82-9  | 99.50% | <a href="https://www.yuanyang-tech.com/case/lita.html">https://www.yuanyang-tech.com/case/lita.html</a>               |
| 6  | IL-P14                     |                                                           | 保密          | 99%    | <a href="https://www.yuanyang-tech.com/case/il-p14.html">https://www.yuanyang-tech.com/case/il-p14.html</a>           |
| 7  | IL-AP8(双(多卤代烷基磺酰基)亚胺四烷基磷盐) |                                                           | 保密          | 0%     | <a href="https://www.yuanyang-tech.com/case/IL-AP8.html">https://www.yuanyang-tech.com/case/IL-AP8.html</a>           |
| 8  | 三正丁基甲基铵双(三氟甲基磺酰)亚胺(盐)      | Tributylmethylammonium Bis(trifluoromethanesulfonyl)imide | 405514-94-5 | 99%    | <a href="https://www.yuanyang-tech.com/case/405514-97-5.html">https://www.yuanyang-tech.com/case/405514-97-5.html</a> |
| 9  | 1-乙基-3-甲基咪唑啉双(三氟甲基磺酰基)亚胺   | 1-Ethyl-3-methylimidazolium ethylsulfate                  |             |        | <a href="https://www.yuanyang-tech.com/case/111.html">https://www.yuanyang-tech.com/case/111.html</a>                 |
| 10 | 1-乙基-3-甲基咪唑硫酸乙酯盐           | 1-ethyl-3-methylimidazolium ethylsulfate                  | 342573-75-5 |        |                                                                                                                       |
